Final Note by the Third Member of Council.

Subject:— Grant of Rs.50 per mensem to the Ellen T. Cowen Memorial Hospital, Kolar.

The authorities of the Ellen T. Cowen Memorial Hospital, Kolar, have applied to the Dewan for a grant of Rs.100 per mensem in aid of the hospital. The Senior Surgeon to whom the application was referred has stated that in view of the fact that there is no maternity attached to the District Hospital, Kolar, and that labour cases are being attended to in the Ellen T. Cowen Memorial Hospital a grant of Rs.75 per mensem may be sanctioned provided poor patients referred to the hospital by the District Medical Officer are treated free of cost.

The Financial Secretary has proposed that a grant of Rs.50 may be sanctioned for a period of two years in the first instance. The hospital has been doing good work and it is seen from the statistics furnished that about 759 in-patients and 11,794 out-patients were treated during the year 1929. I am of opinion that the proposal of the Senior Surgeon as modified by the Financial Secretary may be sanctioned.

The Dewan and the other Members of Council have agreed to the proposal and I solicit His Highness' gracious sanction thereto.

February, 14-1930

Mr. Amin-ul-Mulk Mirza Mohamed Ismail, Esq., B.A., C.I.E., O.B.E.,
Dewan of Mysore, Mysore.

Respected Sir:

M. No. 226-29-1

Since your visit to our institution last July, we have been wanting to make a request. We feel that a hospital, such as the E.T.C.M. Hospital in Kolar, is a great need in Kolar Taluk. There is no other hospital nearer than Bangalore which exists solely for the treatment of women and children. Many women, because of custom, cannot venture to be treated in the Government Hospitals.

In view of the high rate of infant mortality in India, women need to be encouraged to seek efficient medical care during child-birth. This is one of our first aims. We encourage the mothers to come to the dispensary for prenatal advice and care, and to the hospital for delivery and post-natal care.

When you visited us, you inquired about our charges and fees: to bring the facts to your attention again let us inform you that the fees for those who are able to pay are as follows; (1) Medicine and care per day, As.; ~~this includes all treatments, supply of bed linens, clothing, as well as most medicines.~~ Special injections are given at cost. (2) Food per day, As. 4. (3) Operation fees range from Rs.1- Rs.10. We make no charge at all for maternity patients, giving medicine, care at delivery and after, and food absolutely free.

Ofcourse you realize that these minimum rates do not at all cover the cost of running such an institution. Therefore we wish to apply for some aid from Mysore Government to help in the running expenses: we should like it to be in the form of a grant of at least Rs.100 per month. Upon request of the Senior Surgeon of Mysore Medical Department we have been sending annual statistical reports concerning hospital and dispensary patients. We shall be glad to furnish you with any other statistics or facts which you might need.

It will be greatly appreciated if you will consider this matter.

Most respectfully yours,

Ethel Shoemaker, B.A., M.D.

With reference to your letter No. G. 10573/Med. 226-29-2, dated 5th March 1930, I have the honour to state that from the statistics received from the Hospital it is seen that 759 in-patients and 11794 out-patients are treated during the year 1929. In view of the fact that there is no maternity attached to the District Hospital, Kolar, and that the labour cases are being attended to at the Ellen Tobern Cowen Memorial Hospital, Kolar, I recommend that a grant of Rs.75/- per mensem may be sanctioned on the analogy of the grant-in-aid allowed in the case of Wesleyan Mission Hospital, Mandagadde, in Government Order No. 4478-9/Med. 40-29-28, dated 25th September 1929. Poor patients referred to the Hospital by the District Medical Officer should be ~~x~~ treated. *free of cost.*
